This letter from Paul was to the believers in the Ephesian church, whom he greeted with grace and peace sent by God and Jesus Christ. We praise God, our Father, and our Lord Jesus because of the spiritual blessings that have been poured down on us because we belong to Christ. God had predestined to adopt us into His family. Even before the world was created, God chose us to be His children and He loved us. It pleased God to make us His children. God's plan is to bring everything in heaven and on earth together under the authority of Christ at the right time. What do you think it really means to be a child of God?

1. What was God's plan?
2. Why did God pour His blessings down on us?
3. When did God choose us to be His children?
