

Active Shooter

If in the main sanctuary:

- Get under pews
- Allow security to respond and give instructions

If in a securable room (lockable or can be blocked):

- Lock the door and hide
- Block the door and hide

If in a non-securable room or open area:

- Run, Fight, or Hide

EMERGENCY EVACUATION GUIDE

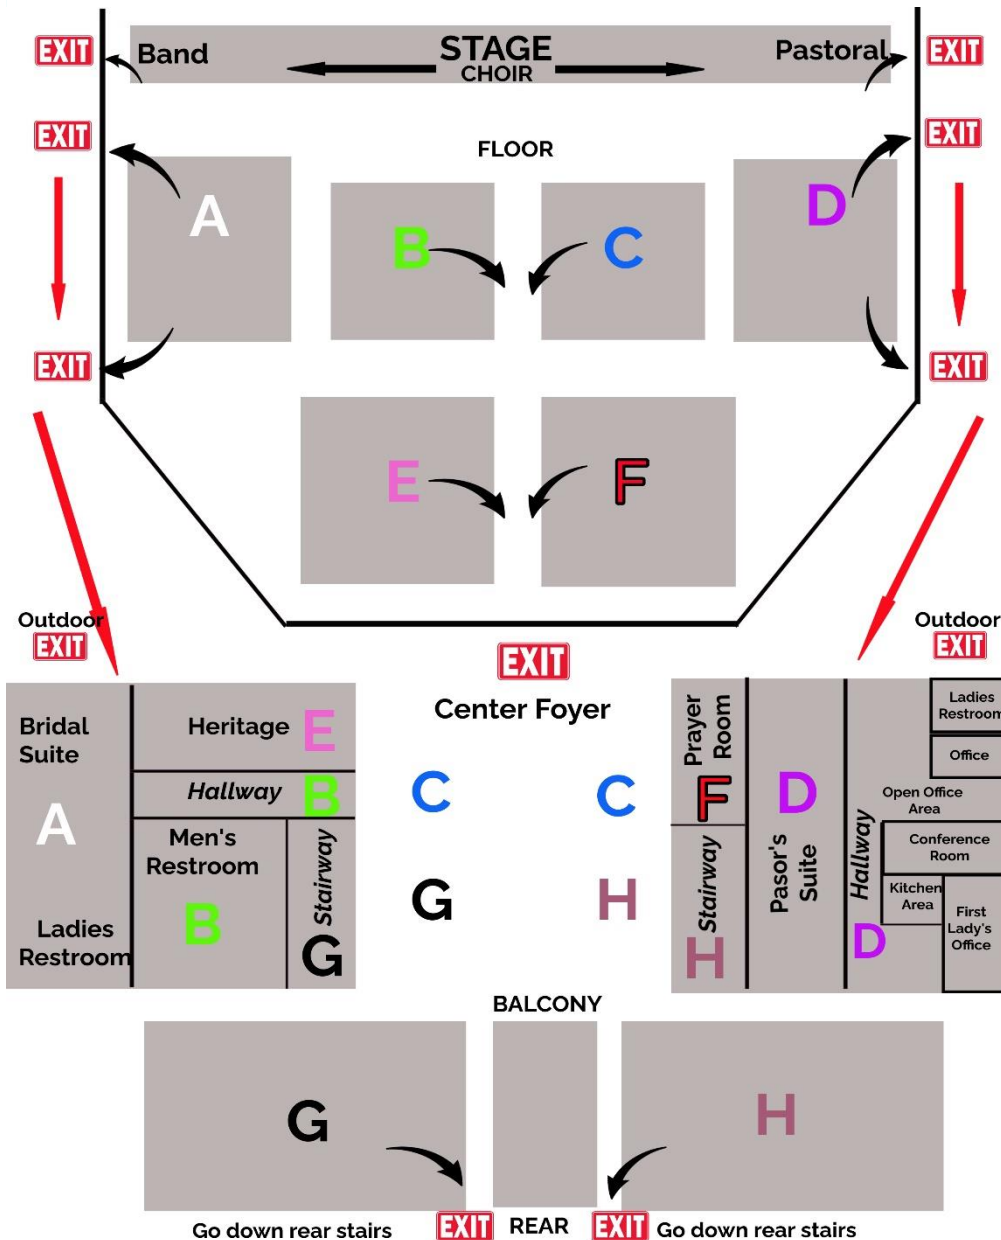

This document is coming to you from the Trustees to provide emergency evacuation procedures in case of a Tornado, Fire, or Active Shooter emergency.

Disclaimer: True Vine has not been approved as an emergency shelter. These safety measures have been put into place with the assistance of MEMA.

True Vine Baptist Church
124 Vine Drive
Brandon, MS 39047

Tornado

In case of a tornado warning, everyone should exit the new sanctuary section where you are seated and go your assigned area outlined below to take cover.

Fire or Bomb Threat

In case of a fire, everyone should exit the building to the parking lot following the guide below.
